

**Railway Technical Society of Australasia  
Victoria Chapter**

**Standard Gauge Updates**

By

**Andrew Cole**

*The RTSA October meeting is our planned update on the progress and plans of the standard gauge network in Victoria.*

*Andrew Cole gave us a forward view of the work to be undertaken on the network last year and is now able to provide the latest on the NE Line and the work around Tottenham and the Port*

*Where and When:*

**DoT Building**

**121 Exhibition St (Level 5), Melbourne**

**Wednesday 15<sup>th</sup> October, 2008**

**5:00pm for 5:30pm**

**(Get there early to get your pass)**
