Victoria Chapter

V/Line Maintenance Centre

RTSA's February meeting features a site visit to the:

V/Line Maintenance Centre

Downer EDI Rail will host the tour which will include an inspection of the facilities, viewing of available rolling stock and an overview of maintenance practices.

Note: Please wear an orange hi-viz safety vest (limited spares available) and enclosed shoes

Where and When:

V/Line Maintenance Centre

Dudley St, West Melbourne

South side of Dudley St. (Melway 2E, H2)

Limited parking on site. Street parking available.
(check parking regulations carefully)

Wednesday 18th February, 2009

6pm for a 6:30 tour start (to allow time for a
short safety briefing)

Due to logistics this will not be a catered event

Members and non-members welcome
