

Meet the Railway People Expo

Park Hyatt Melbourne

10 am – 2 pm on Saturday, 12 September 2009

The Meet the Railway People Expo organised by the Railways Technical Society of Australasia (RTSA) will provide opportunities for railway organisations to engage directly with undergraduate students (from years 1 to 4) from Victorian Universities. Through this initiative the RTSA seeks to attract the brightest undergraduate students to the railway industry.

The RTSA Meet the Railway People Expo is a fantastic opportunity to showcase the opportunities that are available within the railway industry. The Expo will create an exclusive communication channel to promote employment, undergraduate projects, workplace/vacation internships, secondments and scholarship opportunities available within railway organisations.

The Expo will provide also a forum for railway organisations to network and explore partnership opportunities with the academic staff and university administrators.
