

RTSA Annual Dinner 2010

Evening of Fine Food and Wine

The Western Australian Chapter of the RTSA cordially invites you and your partner to our 2010 Annual Dinner – An Evening of Fine Food and Wine.

With rapidly expanding opportunities in the WA rail industry, and some exciting new rail projects about to proceed, the dinner will provide a great opportunity for past and present industry participants to join together for some networking and camaraderie.

We are pleased to be able to confirm that our keynote speaker for the evening will be Perth's Lord Mayor Lisa Scaffidi.

Ms Scaffidi was elected Lord Mayor of the City of Perth in October 2007 with a mission to 'get Perth moving'.

Whilst a councillor, Ms Scaffidi was also State Director of CEDA — the Committee for Economic Development of Australia — an independent think tank promoting economic development in a sustainable and socially balanced way.

She is working to strengthen the Council's working relationship with the State Government so that major projects such as connecting the river foreshore to the city centre and removing the barriers between the CBD and Northbridge can be achieved.

Ms Scaffidi is committed to enhancing Perth's status as a city of regional and international significance. In line with that commitment, the Council has initiated widespread consultation with the community and city stakeholders to develop a strategic plan to guide the city's development.

The Lord Mayor will address us on the details of the recently released *City of Perth 2029 Vision*.

The WA Chapter Committee looks forward to warmly welcoming you on the evening.
