

RAILWAY ENGINEERING STUDENT THESIS AWARD

Railway Technical Society of Australasia (RTSA)

Call for Nominations

Closing date Friday 26 November, 2010

The Railway Engineering Student Thesis Award will be awarded by the Railway Technical Society of Australasia (RTSA) to the author of an outstanding final year undergraduate project on a topic in railway engineering.

The work reported in the thesis shall have been undertaken in Australia or New Zealand by an author for a final year undergraduate thesis completed during either 2009 or 2010. The thesis can be in any engineering discipline provided that it is a topic on railway engineering.

PRIZE CONSISTS OF:

- > \$4000 cash prize
- > Plaque
- > One-year free RTSA membership

At its discretion the Awards Sub-Committee may award up to two 'runner up' prizes each of \$2000 together with one-year free RTSA membership.

SUBMISSIONS:

Nominations for the 2011 RTSA Railway Engineering Student Thesis Award will close on Friday 26 November 2010.

Nominations must be either submitted online at www.rtsa.com.au, or received at the following address with a completed application form by the above closing date.
